

Permission for Minors at the Facility for Rare Isotope Beams (FRIB) and National Superconducting Cyclotron Laboratory (NSCL)

FRIB/NSCL and its visitors are obligated to follow federal and state regulations concerning safety. FRIB and NSCL contain some areas that are restricted for safety reasons. We are obligated to instruct visitors about potential safety hazards and such things as limits on radiation exposure. However, it is expected that there will be no undue hazards or risks present where visitors are allowed access.

To give permission, please complete the bottom of this letter, including your signature, your title, and the date.

DO NOT mail or fax this permission! The adult responsible for the minors on the tour should bring it along when visiting FRIB and NSCL.

I certify that I am authorized as the responsible person for the _____ (#) minors on this tour, scheduled for _____ (date of tour).

(Signature of adult representative responsible for tour participants)
